

## McKINNON CEMETERY

Dear Family Member:

McKinnon Cemetery has embarked upon a project to mark each unmarked grave with pioneer stones. These stones are simple concrete markers designed to serve as a place holder with limited information stamped upon them. These stones are fabricated, placed and donated to the Cemetery voluntarily at no cost to the Cemetery. These stones serve both as part of Cemetery and historic records. If at any point a head stone or monument is placed, you may place the marker at the foot of the gravesite or simply dispose of it.

The following grave sites will be marked, in 2014, with a pioneer stone. Neill McKinnon, Jenette McKinnon, Ella McKinnon, Betty McCrory, Infant McKinnon, Baby Locus, S.T. McKinnon, J.T. McKinnon, Robert Bain, Bettye Swales, Nora McKinnon, Sinclair McKinnon, Neal McKinnon, Mary McKinnon, Infant McKinnon 2, Infant McKinnon 3, and E. P. McKinnon.

Sincerely;

McKinnon Cemetery
